

Mr. Duckett

I talked with OSA and find that [REDACTED]  
[REDACTED] are scheduled for discussions on 8 and 9 December. Alluncheon has been arranged for Friday, 9 December, in the Director's dining room starting at 1200. Paul Bacalis prefers to have the group remain in the building in order to complete the discussions by COB that day. Since this is the rationale for the luncheon plan, I acknowledged the invitation on your behalf. I mentioned to [REDACTED] that if time had permitted you would have been pleased to host a luncheon for the entire group at an outside restaurant. I have asked [REDACTED] to prepare a memorandum of these discussions when they are completed.
